## **5. Chairman's Statement**

On behalf of the Board of directors, it is with great pleasure that I present to you an overview of the annual Report and Financial Statements of the Samburu Water & Sanitation Company (SAWASCO) for the year ended 30<sup>th</sup> June 2024. The strong foundation that we have laid overtime by impressing our vision to be the leading water utility in Kenya; supported by a robust governance structure, continue to drive sustainability of SAWASCO, providing momentum for a secure future in service delivery.

### **Operating environment**

Kenya Economy is being hit hard through supply and demand shocks on external and domestic fronts, interrupting its recent broad-based growth path.

### **Challenges**

In the water industry the cost of electricity which is the most common input remained high thus severely negatively impacted our operations among other key factors. maintained due to the intervention by the government to lower the electricity tariffs. The cost of chemicals too and high maintenance costs has greatly been felt. Despite these and other challenges like drought which affected water catchment areas, SAWASCO continued to deliver on its mission of providing quality water and sanitation services to its customers.

### **Moving Forward**

We continue to focus and strategize to improve our efficiency in service delivery by improvement of water infrastructure and adopting technology to address losses in water (NRW) as well as revenues.

Primarily our efforts are geared towards achievement of the following;

- (i) Continuous improvement of water infrastructure
- (ii) Operational efficiency
- (iii) Improved customer services
- (iv) Financial sustainability
- (v) Enhanced corporate governance

In addition, we will leverage on goodwill from our stakeholders including county governments and development partners to foster growth as we work towards achieving our corporate mission of providing quality water and sanitation services for improved livelihoods.

### **Appreciation**

I would like to appreciate all our stakeholders more so the County government of Samburu and development partners for the solid commitment and support during the year under the review. To our esteemed customers thank you for your loyalty and support.

I also thank the management and staff of SAWASCO for their dedicated efforts in provision of services to our customers. We look forward to continued partnership and collaborations as we strive to improve access to safe, quality and affordable water and sanitation services to all residents of Samburu County.

Thank you and May God Bless you all.

**FRED KIRAGU**  
**CHAIRMAN, BOARD OF DIRECTORS**

## **6. Report of the Managing Director**

On behalf of the Board and Management, I am pleased to present the annual Report and Financial Statements of the Samburu Water & Sanitation Company (SAWASCO) for the year ended 30<sup>th</sup> June 2024. Here below are the highlights of my report.

### **(a) Service Delivery:**

During the year, we remained committed to our vision; To be a reliable and sustainable. Water Service provider thus ensured fair distribution of water to all users within the jurisdiction of our service. Water distribution has continued to be operated in a manner that promotes fairness to all users thus rationing is applied to ensure equitable distribution. During the period, the following efforts were made to improve service delivery.

- Stakeholder Meetings were held across our schemes, and this contributed to positive perceptions and increased willingness to pay water bills.
- Improved meter readings, billing and efficiency
- Digital Kiosks and auto meters were installed on a pilot basis across our schemes as means to mitigate Non-Revenue Water and enhance accountability
- Enhanced governance trainings for board & management

Among the major bottle necks hindering reliable water supply is the high demand water ratio against supply. All our schemes including Maralal are way below the increasing demand for water. Exceptional efforts and funding are required to provide water access to the deserving communities. High production costs due to use of electricity, chemicals and other costs remains concerns that should be addressed to make operations sustainable.

### **(b) Corporate Governance**

The new board was inducted and trained on corporate governance. We also managed to establish the relevant board committees; Admin & HR committee, Audit & Risk Management and Technical committee. In addition, the development of several policies is on-going to strengthen internal controls.

### **(c) Staff Development & Welfare**

Various in-house trainings were carried out for the staff to enhance their skills. Other welfare incentives during the period includes office tea, improved toilets facilities, drinking water, uniforms and NHIF contributions to enable them access medical care together with their families. In addition, the company has continued to support the staff on other personal welfare issues such as weddings & funerals of loved ones.

### **(d) Future Plans:**

With promising and secured funding support from development partners for the much-needed water infrastructure such as solarization, new pipe extensions, automation and other improvements alongside the anticipated completion of Yamo Dam, the future remains promising

My sincere Appreciations to all for Continued Support and Cooperation

**PAUL LERINGATO, HSC  
MANAGING DIRECTOR**

## 7.Statement Of Performance Against Predetermined Objectives for FY 2023/2024

(Two-to-three pages)

Section 164 Subsection 2 (f) of the Public Finance Management Act, 2012 requires the accounting officer to include in the financial statement, a statement of the County government entity's performance against predetermined objectives.

SAWASCO has 2 strategic pillars/ themes/issues and objectives within the current Strategic Plan for the FY 2023- FY 2024. These strategic pillars/ themes/ issues are as follows:

Pillar /theme/issue 1: ***Improved Company Leadership & Governance***

Pillar/theme/issue 2: ***Enhanced Revenues To Sustain Operations***

SAWASCO develops its annual work plans based on the above pillars/Themes/Issues. Assessment of the Board's performance against its annual work plan is done on a quarterly/yearly basis. SAWASCO achieved its performance targets set for the FY 2023/2024 period for its strategic pillars, as indicated in the diagram below:

| Strategic Pillar/Theme/Issues | Objective                                | Key Performance Indicators                                       | Activities  | Achievements  |
|-------------------------------|--|--|---|---|
| Pillar/ theme/ issue 1:       | Improved company leadership & governance | -  | - Board Meeting to establish Board Committees   | - Functional Board Committees put in place;<br>- Technical services<br>- HR, Finance & Admin<br>- Audit & Risk Management                           |
| Pillar/ theme/ issue 1:       | Enhanced Revenues to sustain operations  | - Upward trend of revenue collection<br>- % increase in revenues | - Stakeholders engagement to increase willingness to pay<br>- Auto metres<br>- Improved billing | - 6 stakeholders meetings held<br>- Automation of water systems; pre-paid meters & digital Kiosks<br>- Improved billing & bulk billing sms in place |

*(Under this section therefore, the management should include performance against the strategic objectives of the organisation. The management should outline the strategic Pillars, activities towards their achievement and outputs under each strategic pillar. The organisation should also briefly outline how they have tied achievements to performance contracts. **The entity may present this information as per the indicated table or in any other format relevant to its operations)***

## **8. Corporate Governance Statement**

The Board of Directors of SAWASCO is responsible for the overall management of the Company and is committed to ensuring that its business and operations are conducted with integrity, professionalism, and in compliance with the law, internationally accepted principles and best practices in corporate governance.

In the recent years' various recommendations have been made in several legal and professional publications in an attempt to determine the most appropriate way for companies to be structured to achieve the highest standards of corporate governance. The Board is committed to full compliance of all the relevant laws including the Guidelines on Corporate Governance issued by the regulator WASREB

The Corporate Governance of SAWASCO takes place within a framework which exists to regulate and/or guide the conduct of Board members, staff, customers and members of public in assessing the Company's facilities and services. The objective of the framework is to provide for the effective, ethical and accountable governance and management of the Company. The key instruments within the governance framework are:

- The Kenya Constitution
- The Water Act 2002
- The Public Financial Management Act (2012)
- The Public Financial Management Regulation (2014)
- The Public Procurement and Asset Disposal Act (2015)
- Employment Act
- The SAWASCO Service Charter
- Company approved policies and procedures

For the sake of coherence and legitimacy, it was in the best interest of the Company that its conduct be regulated by the most appropriate type of governance instrument.

- ✓ Approval of major contracts/projects
- ✓ Approval of tariff adjustment
- ✓ Prudent investment of funds to ensure continuity of service
- ✓ Appointment of Corporate Management Team

The Board is responsible for drawing and implementing strategies for the long-term success of the company as well as carrying out the fiduciary duty of monitoring and overseeing the activities of management. The Board meets regularly and has a formal schedule of meetings to discuss matters reserved for its decision with a view of determining and reviewing the strategies of the Company and overseeing the Companies compliance with statutory and regulatory obligations.

Notices and agenda for all Board meetings are circulated to all Directors on a timely basis together with the respective documents for discussion.

## **Composition of the Board**

The Board is composed of 5 non-executive Directors including the Chairman and one executive director who is also the Managing Director and 2 county executives. The Directors represent various stake holding.

They have a wide range of skills and experience and each contributes independent judgement and knowledge to the Board's discussions. On appointment, each Director is provided with a comprehensive and tailored induction process covering the Company's business and operations and also provided with information relating to their legal and regulatory obligations.

All the Directors except the Managing Directors and representatives of the County Government are required to submit themselves for re-election in accordance with the Company's Articles of Association.

## **Board Meetings**

The Board meets on quarterly basis or from time to time in each financial year.

## **Board Committees**

There are currently 3 board committees put in place;

- Admin & HR
- Audit & Risk management
- Technical

## **The Board of Directors**

The Company Board of Directors are appointed in accordance with the Company's Articles of Association

The Board of Directors are responsible for the following: -

- Implementation of Memorandum and Articles of Association
- Provision of guidelines and control function of the Company
- Approval of the organisation structure and maintenance of staff terms and conditions of service
- Approval of business plans and budgets
- Provision of management guidelines

The Board appoints committees as and when necessary as described above

## **9. Management Discussion and Analysis**

During the year, we remained committed to our vision; To be a reliable and sustainable Water Service provider thus ensured fair distribution of water to all users within the jurisdiction of our service. Water distribution has continued to be operated in a manner that promotes fairness to all users thus rationing is applied to ensure equitable distribution. Despite some microeconomic uncertainties during the year, the business remained resilient and delivered on its core mandates. The company made a gain of **Ksh. 4,735,514** compared to last year's gain of **Ksh. 3,988,107**, this is mainly attributed to increased efficiency in resource utilisation and cost management.

During the period, the following efforts were made to improve service delivery.

- Stakeholder Meetings were held across our schemes, and this contributed to positive perceptions and increased willingness to pay water bills.
- Digital Kiosks and auto meters were installed on a pilot basis across our schemes as means to mitigate Non-Revenue Water and enhance accountability.

The period had its fair share of challenges given the leadership transition; change of board. Among the major bottle necks hindering reliable water supply is the high demand water ratio against supply. All our schemes including Maralal are way below the increasing demand for water. Exceptional efforts and funding are required to provide water access to the deserving communities. High production costs due to use of electricity, chemicals and other costs remains concerns that should be addressed to make operations sustainable.

*(Under this section, the management gives a report on the operational and financial performance of the organisation for the last three to five year period, entity's key projects or investments decision implemented or ongoing, entity's compliance with statutory requirements, major risks facing the organisation, material arrears in statutory and other financial obligations, review of the economy, review of the sector, future developments and any other information considered relevant to the users of the financial statements.) The management should make use of tables, graphs, pie charts and other descriptive tools to make the information as understandable as possible.)*

## **10. Environmental and Sustainability Reporting**

### ***i) Sustainability strategy and profile –***

*Samburu County being an ASAL area means that water is generally scarce. The situation is worsening due to the effects of climate change. Rainfall patterns have changed. These coupled with destruction of the environment by human activities remains a big concern for the water sector. Water catchment sources such as Matthew ranges that supports Wamba water supply has greatly been tampered by human encroachment. The same with wetlands such as Suguta.*

*To sustain water sources for future generations, there should be deliberate plans to strengthen management of critical water sources. Water management should incorporate environmental management*

### ***ii) Environmental performance***

*As required by NEMA and other environmental management policies and regulations, all our undertakings particularly while undertaking new water projects ensures compliance. We work closely with local WRUAS such as Olkeju Sirua water association and Nontoto to protect and manage water sources eg. wetlands, catchments etc.*

### ***iii) Employee welfare***

*The company (SAWASCO) has placed emphasis and value in its human resource. The human resource clearly guides how staff are recruited, inducted and how the entire process of staff handling needs to be done. Issues such as gender balance, appraisals, occupational and health safety are guided by the relevant country laws*

### ***iv) Market place practices-***

*We work closely with water stakeholders such as WASREB, Association of Water Service Providers (WASPA) to ensure that we conform to the set and acceptable market place standards and practices*

### ***a) Responsible competition practice.***

*As a matter of good practice, the organisation ensures openness whenever contracts are involved. This is guided by the public procurement act and other relevant laws. Conflict of interest Must always be declared by the board of directors and management whenever there is an opportunity for competition.*

**b) *Responsible Supply chain and supplier relations***

*We ensure public participation through media advertisements and whenever contracts and supplies are required. Suppliers are paid within reasonable timelines.*

**c) *Responsible marketing and advertisement***

*Outline efforts to maintain ethical marketing practices.*

**d) *Product stewardship***

*Through regular stakeholders' engagements, the company prepare customers to own and ownership is achieved. Outline efforts to safeguard consumer rights and interests.*

**v) *Corporate Social Responsibility / Community Engagements***

*The organisation engages the public through various charitable events. We contribute to community welfares as well as provide water supply to support particular community events or needy residents on charity basis. We commenced plans and discussions on the need to develop structured corporate social responsibility programmes*

## **11. Report of the Directors**

The Directors submit their report together with the audited financial statements for the year ended June 30, 2024 which show the state of the Samburu Water and Sanitation company Limited's affairs.

### **i) Principal activities**

The principal activities of the Company are to provide water services within Samburu county

### **ii) Results**

## **12. Statement of Directors' Responsibilities**

Section 164 of the Public Finance Management Act, 2012 and companies Act 2015 (Section 14 of the state corporations Act 1) require the Directors to prepare financial statements in respect of SAWASCO Ltd, which give a true and fair view of the state of affairs of the SAWASCO Ltd at the end of the financial year/period and the operating results of the Company for that year. The Directors are also required to ensure that the Company keeps proper accounting records which disclose with reasonable accuracy the financial position of the Company. The Directors are also responsible for safeguarding the assets of the Company.

The Directors are responsible for the preparation and presentation of the Company financial statements, which give a true and fair view of the state of affairs of the Company for and as at the end of the financial year (period) ended on June 30, 2024. This responsibility includes:

- i) Maintaining adequate financial management arrangements and ensuring that these continue to be effective throughout the reporting period
- ii) Maintaining proper accounting records, which disclose with reasonable accuracy at any time the financial position of the entity
- iii) Designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the financial statements, and ensuring that they are free from material misstatements, whether due to error or fraud
- iv) Safeguarding the assets of the Company
- v) selecting and applying appropriate accounting policies
- vi) Making accounting estimates that are reasonable in the circumstances.

The Directors responsibility for the Company financial statements, which have been prepared using appropriate accounting policies supported by reasonable and prudent judgements and estimates, in conformity with International Financial Reporting Standards (IFRS), and in the manner required by the PFM Act, 2012, water act 2016 and companies Act 2015)

**Statement of Directors' Responsibilities (Continued)**

The Directors are of the opinion that the SAWASCO Ltd.'s financial statements give a true and fair view of the state of Company's transactions during the financial year ended June 30, 2024, and of the Company's financial position as at that date. The Directors further confirm the completeness of the accounting records maintained for the Company, which have been relied upon in the preparation of the company financial statements as well as the adequacy of the systems of internal financial control. Nothing has come to the attention of the Directors to indicate that the SAWASCO Ltd will not remain a going concern for at least the next twelve months from the date of this statement.

**Approval of the financial statements**

**Note:**

- The general reserves and the retained earnings figure in the statement of financial position is arrived at as shown in the statement of changes in equity movement above.*
- Prior year adjustment should have an elaborate note describing what the amounts relate to. In such instances a restatement of the opening balances needs to be done.*

---

*Note: PFM Act section 164(2) ii and iv requires a County Government entity to present appropriation accounts showing the status of each vote compared with the appropriation for the vote and a statement explaining any variations between actual expenditure and the sums voted. IFRS does not require entities complying with IFRS standards to prepare budgetary information because most of the entities that apply IFRS are private entities that do not make their budgets publicly available.*

*However, for public sector entities, the PSASB (PUBLIC SECTOR ACCOUNTING STANDARDS BOARD) has considered the requirements of the PFM Act, 2012 which these statements comply with, the importance that the budgetary information would provide to the users of the statements and the fact that the public entities make their budgets publicly available and decided to include this statement under the IFRS compliant financial statements.*

*Budget notes: Provide explanation of differences between actual and budgeted amounts (10% difference over/ under) Provide an explanation of changes between original and final budget indicating whether the difference is due to reallocations or other causes. Where the total of actual on comparable basis does not tie to the statement of financial performance totals due to differences in accounting basis (budget is cash basis, statement of financial performance is accrual) provide a reconciliation.*

## **19. Notes to the Financial Statements**

### **1. General Information**

Samburu Water and Sanitation Company Ltd is established by and derives its authority and accountability from Water Company's Act. The Company is wholly owned by the Samburu County Government and is domiciled in Kenya. The Company's principal activity is provision of water services to Samburu residents. For Kenyan Companies Act reporting purposes, the balance sheet is represented by the statement of financial position and the profit and loss account by the statement of profit or loss and other comprehensive income in these financial statements.

### **2. Statement of Compliance and Basis of Preparation**

The financial statements have been prepared on a historical cost basis except for the measurement at re-valued amounts of certain items of property, plant and equipment, marketable securities and financial instruments at fair value, impaired assets at their estimated recoverable amounts and actuarially determined liabilities at their present value. The preparation of financial statements in conformity with International Financial Reporting Standards (IFRS) allows the use of estimates and assumptions. It also requires management to exercise judgement in the process of applying the Company's accounting policies. The areas involving a higher degree of judgement or complexity, or where assumptions and estimates are significant to the financial statements.

The financial statements have been prepared and presented in Kenya Shillings, which is the functional and reporting currency of the Company. The figures are rounded to the nearest Kenyan shilling.

The financial statements have been prepared in accordance with the PFM Act, the State Corporations Act, Water Act 2016 and the Company's Act, and International Financial Reporting Standards (IFRS). The accounting policies adopted have been consistently applied to all the years presented.

Notes to the financial statements (continued)

3. Application of New and Revised International Financial Reporting Standards (IFRS)

i. *New and amended standards and interpretations in issue and effective in the year ended 30 June 2023.*

| Title   | Description   | Effective Date   |
|---|---|--|
| IFRS 17 Insurance Contracts (issued in May 2017)  | The new standard establishes principles for the recognition, measurement, presentation and disclosure of insurance contracts issued. It also requires similar principles to be applied to reinsurance contracts held and investment contracts with discretionary participation features issued. The objective is to ensure that entities provide relevant information in a way that faithfully represents those contracts.<br><br>The Company does not issue insurance contracts. | Effective for annual periods beginning on or after 1 <sup>st</sup> January 2023.                 |
| IAS (International Accounting Standards) 8- Accounting Policies, Errors, and Estimates  | The amendments, applicable to annual periods beginning on or after 1st January 2023, introduce a definition of ‘accounting estimates’ and include other amendments to IAS 8 to help entities distinguish changes in accounting policies from changes in accounting estimates.   | The amendments are effective for annual reporting periods beginning on or after January 1, 2023. |
| Amendments to IAS 1 titled Disclosure of Accounting Policies (issued in February 2021)  | The amendments, applicable to annual periods beginning on or after 1st January 2023, require entities to disclose their <b>material</b> accounting policy information rather than their <b>significant</b> accounting policies.   | The amendments are effective for annual periods beginning on or after January 1, 2023.           |
| Amendments to IAS 12 titled Deferred Tax Related to Assets and Liabilities arising from a Single Transaction (issued in May 2021) | The amendments, applicable to annual periods beginning on or after 1st January 2023, narrowed the scope of the recognition exemption in paragraphs 15 and 24 of IAS 12 (recognition exemption) so that it no longer applies to transactions that, on initial recognition, give rise to equal taxable and deductible temporary differences.  | The amendments are effective for annual periods beginning on or after January 1, 2023.           |

---

*The Directors have assessed the applicable standards and amendments. Based on their assessment of impact of application of the above, they do not expect that there will be a significant impact on the company's financial statements.*

## Notes to the Financial Statements (Continued)

### Application of New and Revised International Financial Reporting Standards (IFRS)

- ii. *New and amended standards and interpretations in issue but not yet effective in the year ended 30 June 2024*
- iii.
- iv.
- v.

| Title  | Description   | Effective Date   |
|--|---|--|
| Amendments to IAS 1 titled Classification of Liabilities as Current or Non-current (issued in January 2020, amended in October 2022) | The amendments, applicable to annual periods beginning on or after 1st January 2024, clarify a criterion in IAS 1 for classifying a liability as non-current: the requirement for an entity to have the right to defer settlement of the liability for at least 12 months after the reporting period  | The amendments are effective for annual periods beginning on or after January 1, 2024. Earlier application is permitted. |
| Amendment to IFRS 16 titled Lease Liability in a Sale and Leaseback (issued in September 2022)                                       | The amendment, applicable to annual periods beginning on or after 1st January 2024, requires a seller-lessee to subsequently measure lease liabilities arising from a leaseback in a way that it does not recognise any amount of the gain or loss.   | The amendments are effective for annual periods beginning on or after January 1, 2024. Earlier application is permitted. |
| Amendments to IAS 1 titled Non-current Liabilities with Covenants (issued in October 2022)   | The amendments, applicable to annual periods beginning on or after 1st January 2024, improve the information an entity provides about liabilities arising from loan arrangements for which an entity's right to defer settlement of those liabilities for at least twelve months after the reporting period is subject to the entity complying with conditions specified in the loan arrangement. | The amendments are effective for annual periods beginning on or after January 1, 2024. Earlier application is permitted. |

*(The Directors do not plan to apply any of the above until they become effective. Based on their assessment of the potential impact of application of the above, they do not expect that there will be a significant impact on the company's financial statements).*

**vi. Early adoption of standards**

Samburu Water and Sanitation Company Limited did not early – adopt any new or amended standards in year under review.

## **Notes to the financial statements (continued)**

### **4. Summary of Accounting Policies**

The principle accounting policies adopted in the preparation of these financial statements are set out below:

**a) Revenue recognition**

Revenue is measured based on the consideration to which the entity expects to be entitled in a contract with a customer and excludes amounts collected on behalf of third parties. The entity recognizes revenue when it transfers control of a product or service to a customer.

- i) Revenue from the sale of goods and services** is recognized in the year in which the Company delivers products/services to the customer, the customer has accepted the products/services and collectability of the related receivables is reasonably assured.
- ii) Grants from Government Entities** are recognized in the year in which the Company actually receives such grants. Recurrent grants are recognized in the statement of comprehensive income. Development/capital grants are recognized in the statement of financial position and realised in the statement of comprehensive income over the useful life of the assets that has been acquired using such funds.
- iii) Finance income** comprises interest receivable from bank deposits and investment in securities, and is recognized in profit or loss on a time proportion basis using the effective interest rate method.
- iv) Dividend income** is recognized in the income statement in the year in which the right to receive the payment is established.
- v) Rental income** is recognized in the income statement as it accrues using the effective interest implicit in lease agreements.
- vi) Other income** is recognized as it accrues.

## **Notes to the financial statements (continued)**

### **Summary of Accounting Policies**

**b) In-kind contributions**

In-kind contributions are donations that are made to the Company in the form of actual goods and/or services rather than in money or cash terms. These donations may include vehicles, equipment, utilities or personnel services. Where the financial value received for in-kind contributions can be reliably determined, the Company includes such value in the statement of comprehensive income both as revenue and as an expense in equal and opposite amounts; otherwise, the contribution is not recorded but disclosed.

**c) Property, plant and equipment**

All categories of property, plant and equipment are initially recorded at cost less accumulated depreciation and impairment losses. Certain categories of property, plant and equipment are subsequently carried at re-valued amounts, being their fair value at the date of re-valuation less any subsequent accumulated depreciation and impairment losses. Where re-measurement at re-valued amounts is desired, all items in an asset category are re-valued through periodic valuations carried out by independent external valuers.

---

**Notes to the financial statements (continued)**

**Summary of Accounting Policies**

**d) Depreciation and impairment of property, plant and equipment**

Freehold land and capital work in progress are not depreciated. Capital work in progress relates mainly to the cost of ongoing but incomplete works on buildings and other civil works and installations.

Depreciation on property, plant and equipment is recognized in the income statement on a straight-line/reducing balance basis to write down the cost of each asset or the re-valued amount to its residual value over its estimated useful life. The annual rates in use are:

| <b>Item</b>                              | <b>Years</b> | <b>Rates</b> |
|--|--------------|--------------|
| Freehold Land                            | N/A          | N/A          |
| Leasehold Land                           | N/A          | N/A          |
| Buildings and civil works                | 50           | 2%           |
| Infrastructure works                     | 20           | 2.5%         |
| Plant and machinery                      | 10           | 10%          |
| Motor vehicles, including motorcycles    | 6            | 16.67%       |
| Computers and related equipment          | 3.33         | 30%          |
| Office equipment, furniture and fittings | 8            | 12.5%        |

A full year's depreciation charge is recognized both in the year of asset purchase and none in the year of asset disposal. Items of property, plant and equipment are reviewed annually for impairment and accounted for in line with the provisions in the standard.

**e) Intangible assets**

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortization and accumulated impairment losses. Amortization is recognized on a straight-line basis over their estimated useful lives. The estimated useful life and amortization method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis.

Intangible assets with indefinite useful lives that are acquired separately are carried at cost less accumulated impairment losses.

**Notes to the financial statements (continued)**

**Summary of Accounting Policies**

**f) Amortization and impairment of intangible assets**

Amortization is calculated on the straight-line basis over the estimated useful life of the intangible asset. All intangible assets are reviewed annually for impairment. Where the carrying amount of an intangible asset is assessed as greater than its estimated recoverable amount, an impairment loss is recognized and the asset is written down to its estimated recoverable amount.

**g) Investment property**

Investment property, which is property held to earn rentals and/or for capital appreciation (including property under construction for such purposes), is measured initially at cost, including transaction costs. Subsequent to initial recognition, investment property is measured at fair value. Gains or losses arising from changes in the fair value of investment property are included in profit or loss in the period in which they arise. An investment property is derecognized upon disposal or when the investment property is permanently withdrawn from use and no future economic benefits are expected from the disposal. Any gain or loss arising from derecognition of the property (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in profit or loss in the period in which the property is derecognized. [OBJ]

## Notes to the financial statements (continued)

### Summary of Accounting Policies

#### **h) Right of Use Asset**

The right-of-use assets comprise the initial measurement of the corresponding lease liability, lease payments made at or before the commencement day, less any lease incentives received and any initial direct costs. They are subsequently measured at cost less accumulated depreciation and impairment losses. Whenever the entity incurs an obligation for costs to dismantle and remove a leased asset, restore the site on which it is located or restore the underlying asset to the condition required by the terms and conditions of the lease, a provision is recognized and measured under IAS 37. To the extent that the costs relate to a right-of-use asset, the costs are included in the related right-of-use asset, unless those costs are incurred to produce inventories. Right-of-use assets are depreciated over the shorter period of lease term and useful life of the underlying asset. If a lease transfers ownership of the underlying asset or the cost of the right-of-use asset reflects that the entity expects to exercise a purchase option, the related right-of-use asset is depreciated over the useful life of the underlying asset. The depreciation starts at the commencement date of the lease. The right-of-use assets are presented as a separate line in the statement of financial position.

#### **i) Fixed interest investments (bonds)**

Fixed interest investments refer to investment funds placed under Central Bank of Kenya (CBK) long-term infrastructure bonds and other corporate bonds with the intention of earning interest. Fixed interest investments are freely traded at the Nairobi Securities Exchange. The bonds are measured at amortized cost or at fair value through profit or loss or at fair value through other comprehensive income (FVOCI). (*Whichever is applicable*).

#### **j) Quoted investments**

Quoted investments are classified as non-current assets and comprise marketable securities traded freely at the Nairobi Securities Exchange or other regional and international securities exchanges. Quoted investments are stated at fair value.

## **Notes to the financial statements (continued)**

### **Summary of Accounting Policies**

#### **k) Unquoted investments**

Unquoted investments stated at cost under non-current assets, and comprise equity shares held in other Government owned or controlled entities that are not quoted in the Securities Exchange. These are measured at fair value through profit or loss (FVTPL).

#### **l) Inventories**

Inventories are stated at the lower of cost and net realizable value. Cost comprises direct materials and, where applicable, direct labour costs and those overheads that have been incurred in bringing the inventories to their present location and condition. Cost is calculated using the weighted average cost method/ FIFO (*Whichever is applicable*). Net realizable value represents the estimated selling price less all estimated costs of completion and costs to be incurred in marketing, selling and distribution.

#### **m) Trade and other receivables**

Trade and other receivables are recognized at amortized cost less allowances for any uncollectible amounts. These are assessed for impairment on a continuing basis. An estimate is made of doubtful receivables based on a review of all outstanding amounts at the year end. Bad debts are written off after all efforts at recovery have been exhausted and when the necessary approval to write off is granted. A report on losses and write offs is disclosed on page xxx of this report.

## **Notes to the financial statements (continued)**

### **Summary of Accounting Policies**

#### **n) Taxation**

##### **i) Current income tax**

Current income tax assets and liabilities for the current period are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date in the area where the Company operates and generates taxable income. Current income tax relating to items recognized directly in net assets is recognized in net assets and not in the profit or loss statement. Current income tax assets and liabilities for the current period are measured at the amount expected to be recovered from or paid to the taxation authorities. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

##### **o) Deferred tax**

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognized for all taxable temporary differences, except in respect of taxable temporary differences associated with investments in controlled entities, associates and interests in joint ventures, when the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future. Deferred tax assets are recognized for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized, except in respect of deductible temporary differences associated with investments in controlled entities, associates and interests in joint ventures, deferred tax assets are recognized only to the extent that it is probable that the temporary differences will

reverse in the foreseeable future and taxable profit will be available against which the temporary differences can be utilized.

## **Notes to the financial statements (continued)**

### **Summary of Accounting Policies**

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered. Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognized outside surplus or deficit is recognized outside surplus or deficit. Deferred tax items are recognized in correlation to the underlying transaction in net assets. Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current income tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

#### **p) Borrowing costs**

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale. To the extent that variable rate borrowings are used to finance a qualifying asset and are hedged in an effective cash flow hedge of interest rate risk, the effective portion of the derivative is recognized in other comprehensive income and reclassified to profit or loss when the qualifying asset impacts profit or loss. To the extent that fixed rate borrowings are used to finance a qualifying asset and are hedged in an effective fair value hedge of interest rate risk, the capitalized borrowing costs reflect the hedged interest rate. Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the

---

borrowing costs eligible for capitalization. All other borrowing costs are recognized in profit or loss in the period in which they are incurred.

## **Notes to the financial statements (continued)**

### **Summary of Accounting Policies**

**q) Cash and cash equivalents**

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at various Commercial Banks at the end of the reporting period.

**r) Borrowings**

Interest bearing loans and overdrafts are initially recorded at fair value being received, net of issue costs associated with the borrowing. Subsequently, these are measured at amortized cost using the effective interest rate method. Amortized cost is calculated by taking into account any issue cost and any discount or premium on settlement. Finance charges, including premiums payable of settlement or redemption are accounted for on accrual basis and are added to the carrying amount of the instrument to the extent that they are not settled in the period in which they arise. Loan interest accruing during the construction of a project is capitalized as part of the cost of the project.

**s) Trade and other payables**

Trade and other payables are non-interest bearing and are carried at amortized cost, which is measured at the fair value of contractual value of the consideration to be paid in future in respect of goods and services supplied, whether billed to the entity or not, less any payments made to the suppliers.

**Notes to the financial statements (continued)**

**Summary of Accounting Policies**

**t) Retirement benefit obligations**

The Company operates a defined contribution scheme for all full-time employees from July 1, 2022. The scheme is administered by an in-house team and is funded by contributions from both the company and its employees. The company also contributes to the statutory National Social Security Fund (NSSF). This is a defined contribution scheme registered under the National Social Security Act. The company's obligation under the scheme is limited to specific contributions legislated from time to time and is currently at Ksh per employee per month.

**u) Provision for staff leave pay**

Employees' entitlements to annual leave are recognized as they accrue. A provision is made for the estimated liability for annual leave at the reporting date.

**v) Exchange rate differences**

The accounting records are maintained in the functional currency of the primary economic environment in which the entity operates, Kenya Shillings. Transactions in foreign currencies during the year/period are translated into the functional currency using the exchange rates prevailing at the dates of the transactions or valuation where items are re-measured. Any foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at year-end exchange rates of monetary assets and liabilities denominated in foreign currencies are recognized in profit or loss.

**Notes to the financial statements (continued)**

**Summary of Accounting Policies**

**w) Budget information**

The original budget for FY 2023-2024 was approved by the Board of Directors on 29<sup>th</sup> June, 2024. Subsequent revisions or additional appropriations were made to the approved budget in accordance with specific approvals from the appropriate authorities. The additional appropriations are added to the original budget by the entity upon receiving the respective approvals in order to conclude the final budget. Accordingly, the Company recorded additional appropriations of -- on the 2023-2024 budget following the governing body's approval. The Company's budget is prepared on a different basis to the actual income and expenditure disclosed in the financial statements. The financial statements are prepared on accrual basis using a classification based on the nature of expenses in the statement of profit or loss, whereas the budget is prepared on a cash basis. The amounts in the financial statements were recast from the accrual basis to the cash basis and reclassified by presentation to be on the same basis as the approved budget. A comparison of budget and actual amounts, prepared on a comparable basis to the approved budget, is then presented in the statement of comparison of budget and actual amounts. In addition to the Basis difference, adjustments to amounts in the financial statements are also made for differences in the formats and classification schemes adopted for the presentation of the financial statements and the approved budget. A statement to reconcile the actual amounts on a comparable basis included in the statement of comparison of budget and actual amounts and the actuals as per the statement of Comprehensive income has been presented under section 14 of these financial statements.

### **Summary of Accounting Policies**

#### **x) Service concession arrangements**

The Company analyses all aspects of service concession arrangements that it enters into in determining the appropriate accounting treatment and disclosure requirements. In particular, where a private party contributes an asset to the arrangement, the Company recognizes that asset when, and only when, it controls or regulates the services the operator must provide together with the asset, to whom it must provide them, and at what price. In the case of assets other than 'whole-of-life' assets, it controls, through ownership, beneficial entitlement or otherwise – any significant residual interest in the asset at the end of the arrangement. Any assets so recognized are measured at their fair value. To the extent that an asset has been recognized, the Company also recognizes a corresponding liability, adjusted by a cash consideration paid or received.

#### **y) Comparative figures**

Where necessary comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

#### **z) Subsequent events**

There have been no events subsequent to the financial year end with a significant impact on the financial statements for the year ended June 30, 2024.

### **5. Significant Judgments and Sources of Estimation Uncertainty**

The preparation of the Company's financial statements in conformity with IFRS requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the disclosure of contingent liabilities, at the end of the reporting period. However, uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of the asset or liability affected in future periods.

## **Notes to the financial statements (continued)**

### **Summary of Accounting Policies**

#### **a) Estimates and assumptions**

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. However, existing circumstances and assumptions about future developments may change due to market changes or circumstances arising beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

#### **b) Useful lives and residual values**

The useful lives and residual values of assets are assessed using the following indicators to inform potential future use and value for disposal:

- The condition of the asset based on the assessment of experts employed by the Company.
- The nature of the asset, its susceptibility and adaptability to changes in technology and processes.
- The nature of the processes in which the asset is deployed.
- Availability of funding to replace the assets.

#### **c) Provisions**

Provisions were raised and management determined an estimate based on the information available. Additional disclosure of these estimates of provisions is included in Note xxx.

Provisions are measured at the management's best estimate of the expenditure required to settle the obligation at the reporting date and are discounted to present value where the effect is material.

*(Include provisions applicable for your organisation e.g. provision for bad debts, provisions of obsolete stocks and how management estimates these provisions)*

*(NB: An entity is required to disclose its material accounting policies following amendment of IAS 1 where an entity is supposed to disclose its material accounting policies instead of significant accounting policies.)*

*[Provide short appropriate explanations as necessary]*

**Notes to the financial statements (continued)**

.

**34. Fair Value Adjustment Reserve**

The fair value adjustment reserve arises on the revaluation of available-for-sale financial assets, principally the marketable securities. When a financial asset is sold, the portion of the reserve that relates to that asset is reduced from the fair value adjustment reserve and is recognised in profit or loss. Where a financial asset is impaired, the portion of the reserve that relates to that asset is recognised in profit or loss.

**35. Retained Earnings**

The retained earnings represent amounts available for distribution to the *entity's* shareholders. Undistributed retained earnings are utilised to finance the *entity's* business activities. The retained earnings computation of **(2,107,365)** is shown in the statement of changes in equity movement on page **4 and 5**.

**Annual Reports and Financial Statements**  
**For the year ended June 30 2024**

**36. Deferred Tax Liability**

Deferred tax is calculated on all temporary differences under the liability method using the enacted tax rate, currently 30%. The net deferred tax liability at year end is attributable to the following items:

|  | <i>FY 2023/24</i> | <i>FY 2022/23</i> |
|--|-------------------|-------------------|
|  | <b>Kshs</b>       | <b>Kshs</b>       |
| Accelerated capital allowances         | -                 | -                 |
| Unrealised exchange gains/(losses)     | -                 | -                 |
| Revaluation surplus                    | -                 | -                 |
| Tax losses carried forward             | -                 | -                 |
| Provisions for liabilities and charges | -                 | -                 |
| Net deferred tax liability             | -                 | -                 |

The movement on the deferred tax account is as follows:

|   | <i>FY 2023/24</i> | <i>FY 2022/23</i> |
|---|-------------------|-------------------|
|   | <b>Kshs</b>       | <b>Kshs</b>       |
| <b>Balance at beginning of the year</b> | -                 | -                 |
| Credit to revaluation reserve           | -                 | -                 |
| Under provision in prior year           | -                 | -                 |
| Income statement charge/(credit)        | -                 | -                 |
| <b>Balance at end of the year</b>       | -                 | -                 |

**37. Borrowings**

| <b>Description</b>                                   | <i>FY 2023/24</i> | <i>FY 2022/23</i> |
|--|-------------------|-------------------|
|  | <b>KShs</b>       | <b>KShs</b>       |

*In the opinion of the directors, no provision is required in these financial statements as the liabilities are not expected to crystallize.*

**50. Financial Risk Management**

The Company's activities expose it to a variety of financial risks including credit and liquidity risks and effects of changes in foreign currency. The company's overall risk management programme focuses on unpredictability of changes in the business environment and seeks to minimise the potential adverse effect of such risks on its performance by setting acceptable levels of risk. The company does not hedge any risks and has in place policies to ensure that credit is only extended to customers with an established credit history. The company's financial risk management objectives and policies are detailed below:

**Notes to the financial statements (continued)**

**(i) Credit risk**

**Samburu Water and Sanitation Company Ltd**  
**Annual Reports and Financial Statements**  
**For the year ended June 30 2024**

---

The Company has exposure to credit risk, which is the risk that a counterparty will be unable to pay amounts in full when due. Credit risk arises from cash and cash equivalents, and deposits with banks, as well as trade and other receivables and available-for-sale financial investments.

Management assesses the credit quality of each customer, taking into account its financial position, past experience and other factors. Individual risk limits are set based on internal or external assessment in accordance with limits set by the directors. The amounts presented in the statement of financial position are net of allowances for doubtful receivables, estimated by the company's management based on prior experience and their assessment of the current economic environment.

The carrying amount of financial assets recorded in the financial statements representing the entity's maximum exposure to credit risk without taking account of the value of any collateral obtained is made up as follows:

|  | <b>Total amount<br/>Kshs</b> | <b>Fully performing<br/>Kshs</b> | <b>Past due but not Impaired<br/>Kshs</b> | <b>Past due and Impaired<br/>Kshs</b> |
|--|------------------------------|----------------------------------|---|---------------------------------------|
| <b>At 30 June 2024</b>                 |                              |                                  |   |                                       |
| Trade Receivables                      | -                            | -                                | -   | -                                     |

---

***Credit Risk (Continued)***

The customers under the fully performing category are paying their debts as they continue trading. The credit risk associated with these receivables is minimal and the allowance for uncollectible amounts that the company has recognised in the financial statements is considered adequate to cover any potentially irrecoverable amounts.

The board of directors sets the company’s credit policies and objectives and lays down parameters within which the various aspects of credit risk management are operated.

**ii) Liquidity risk management**

Ultimate responsibility for liquidity risk management rests with the Company’s directors, who have built an appropriate liquidity risk management framework for the management of the Company’s short, medium and long-term funding and liquidity management requirements. The Company manages liquidity risk through continuous monitoring of forecasts and actual cash flows.

The table below represents cash flows payable by the company under non-derivative financial liabilities by their remaining contractual maturities at the reporting date. The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances, as the impact of discounting is not significant.

|                                 | <b>Less than 1 month</b> | <b>Between 1-3 months</b> | <b>Over 5 months</b> | <b>Total</b> |
|---------------------------------|--------------------------|---------------------------|----------------------|--------------|

**(iii) Market risk (Tailor as appropriate)**

**Samburu Water and Sanitation Company Ltd**  
**Annual Reports and Financial Statements**  
**For the year ended June 30 2024**

---

The board has put in place an internal audit function to assist it in assessing the risk faced by the Company on an ongoing basis, evaluate and test the design and effectiveness of its internal accounting and operational controls.

Market risk is the risk arising from changes in market prices, such as interest rate, equity prices and foreign exchange rates which will affect the entity's income or the value of its holding of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return. Overall responsibility for managing market risk rests with the Audit and Risk Management Committee.

The company's Department in charge of risk management is responsible for the development of detailed risk management policies (subject to review and approval by Audit and Risk Management Committee) and for the day-to-day implementation of those policies.

There has been no change to the Company's exposure to market risks or the manner in which it manages and measures the risk.

**a) Foreign currency risk**

The Company has transactional currency exposures. Such exposure arises through purchases of goods and services that are done in currencies other than the local currency. Invoices denominated in foreign currencies are paid after 30 days from the date of the invoice and conversion at the time of payment is done using the prevailing exchange rate.

**Samburu Water and Sanitation Company Ltd**  
**Annual Reports and Financial Statements**  
**For the year ended June 30 2024**

---

**Notes to the financial statements (continued)**

**(iii) Market risk (Continued)**

The carrying amount of the Company's foreign currency denominated monetary assets and monetary liabilities at the end of the reporting period are as follows:

|  | <b>Kshs</b> | <b>Other currencies</b> | <b>Total</b> |
|--|-------------|-------------------------|--------------|
|  | <b>Kshs</b> | <b>Kshs</b>             | <b>Kshs</b>  |
| <b>At 30 June Current Year</b>         |             |                         |              |
| <b>Financial assets</b>                |             |                         |              |
| Investments                            | -           | -                       | -            |
| Cash                                   | -           | -                       | -            |
| Debtors                                | -           | -                       | -            |
| <b>Financial Liabilities</b>           | -           | -                       | -            |
| Trade and other payables               | -           | -                       | -            |
| Borrowings                             | -           | -                       | -            |
| Net foreign currency asset/(liability) | -           | -                       | -            |

The Company manages foreign exchange risk from future commercial transactions and recognised assets and liabilities by projecting for expected sales proceeds and matching the same with expected payments.

**b) Foreign currency sensitivity analysis**

The following table demonstrates the effect on the company’s statement of comprehensive income on applying the sensitivity for a reasonable change in the exchange rate of the three main transaction currencies, with all other variables held constant. The reverse would also occur if the Kenya Shilling appreciated with all other variables held constant.

|                         | <b>Change in<br/>currency rate</b> | <b>Effect on Profit<br/>before tax</b> | <b>Effect on<br/>equity</b> |
|-------------------------|------------------------------------|--|-----------------------------|
|                         | <b>Kshs</b>                        | <b>Kshs</b>                            | <b>Kshs</b>                 |
| <b>2024 Current FY</b>  |                                    |  |                             |
| Euro                    | 10%                                | -                                      | -                           |
| USD                     | 10%                                | -                                      | -                           |
| <b>2023 Previous FY</b> |                                    |  |                             |
| Euro                    | 10%                                | -                                      | -                           |
| USD                     | 10%                                | -                                      | -                           |

**c) Interest rate risk**

Interest rate risk is the risk that the Company’s financial condition may be adversely affected as a result of changes in interest rate levels. The company’s interest rate risk arises from bank deposits. This exposes the company to cash flow interest rate risk. The interest rate risk exposure arises from interest rate movements on the company’s deposits.

**i) Management of interest rate risk**

To manage the interest rate risk, management has endeavoured to bank with institutions that offer favourable interest rates.

**Notes to the financial statements (continued)**

**ii) Sensitivity analysis**

The Company analyses its interest rate exposure on a dynamic basis by conducting a sensitivity analysis. This involves determining the impact on profit or loss of defined rate shifts. The sensitivity analysis for interest rate risk assumes that all other variables, in particular foreign exchange rates, remain constant. The analysis has been performed on the same basis as the prior year.

**iii) Fair value of financial assets and liabilities**

**a) *Financial instruments measured at fair value***

Determination of fair value and fair values hierarchy

IFRS 7 specifies a hierarchy of valuation techniques based on whether the inputs to those valuation techniques are observable or unobservable. Observable inputs reflect market data obtained from independent sources; unobservable inputs reflect the Company's market assumptions. These two types of inputs have created the following fair value hierarchy:

- i)** Level 1 – Quoted prices (unadjusted) in active markets for identical assets or liabilities. This level includes listed equity securities and debt instruments on exchanges.
- ii)** Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices).
- iii)** Level 3 – inputs for the asset or liability that are not based on observable market data (unobservable inputs). This level includes equity investments and debt instruments with significant unobservable components. This hierarchy requires the use of observable market data when available. The Company considers relevant and observable market prices in its valuations where possible.

| Total borrowings                             | -              | -              |
| Less: cash and bank balances                 | -              | -              |
| Net debt/ (excess cash and cash equivalents) | -              | -              |
| <b>Gearing</b>                               | -              | -              |

**51. Incorporation**

The Company is incorporated in Kenya under the Kenyan Companies Act and is domiciled in Kenya.

**52. Events After the Reporting Period**

There were no material adjusting and non- adjusting events after the reporting period.

**20. Appendices**

**Appendix 1: progress on follow up of auditor recommendations.**

The following is the summary of issues raised by the external auditor, and management comments that were provided to the auditor.

| <b>Reference No. on the external audit Report</b> | <b>Issue / Observations from Auditor</b> | <b>Management comments</b> | <b>Status: (Resolved / Not Resolved)</b> | <b>Timeframe: (Put a date when you expect the issue to be resolved)</b> |
|---|--|----------------------------|--|---|
|   |  |                            |  |   |
|   |  |                            |  |   |
|   |  |                            |  |   |
|   |  |                            |  |   |
|   |  |                            |  |   |

**Guidance Notes:**

- (i) Use the same reference numbers as contained in the external audit report.
- (ii) Obtain the “Issue/Observation” and “management comments”, required above, from final external audit report that is signed by Management.
- (iii) Indicate the status of “Resolved” or “Not Resolved” by the date of submitting this report.
